CSN LTD COOKIE POLICY

Our cargosolutionsnetwork.com website and our "CSN" mobile device application uses cookies to distinguish you from other users of our cargosolutionsnetwork.com website and/or our "CSN" mobile device application. This helps us to provide you with a good experience when you browse our cargosolutionsnetwork.com website and/or our "CSN" mobile device application and also allows us to improve our cargosolutionsnetwork.com website and our "CSN" mobile device application.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer or device if you agree. Cookies contain information that is transferred to your computer's or device's hard drive.

We use the following cookies:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our cargosolutionsnetwork.com website or our "CSN" mobile device application. They include, for example, cookies that enable you to log into secure areas of our cargosolutionsnetwork.com website or our "CSN" mobile device application.

- **Analytical or performance cookies.** These allow us to recognise and count the number of visitors and to see how visitors move around our cargosolutionsnetwork.com website or our "CSN" mobile device application when they are using it. This helps us to improve the way our cargosolutionsnetwork.com website or our "CSN" mobile device application works, for example, by ensuring that users are finding what they are looking for easily.

- **Functionality cookies.** These are used to recognise you when you return to our cargosolutionsnetwork.com website or our "CSN" mobile device application. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

- **Targeting cookies.** These cookies record your visit to our cargosolutionsnetwork.com website or our "CSN" mobile device application, the pages you have visited and the links you have followed. We will use this information to make our cargosolutionsnetwork.com website, our "CSN" mobile device application and the content displayed on each more relevant to your interests.

Examples of cookies used by Google Analytics include:

- **_ga** – Used to distinguish users (typically expires after 2 years)

- **_gid** – Used to distinguish users (typically expires after 24 hours)

- **_gat** – Used to manage request rates (typically expires after 1 minute)

Additional cookies may be used to support website functionality or improve performance.

You can block cookies by activating the setting on your browser that allows you to refuse the setting of all or some cookies. However, if you use your browser settings to block all cookies (including essential cookies) you may not be able to access all or parts of our website.
